

MICRO-BAR-EXD

Dual Colour Version 2-Button Cigar Plug model

Auto-Dimming Light Sensor

- Automatically activate or deactivate the Low-Power operation.
- Application to Colour 1.

IMPORTANT:

Do not cover the light sensor or place the minibar under vehicle shade (Auto-dimming may not function properly).

2-Button Cigar Plug

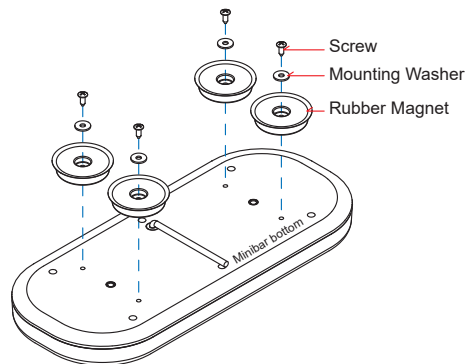

● Button : Turn ON/OFF for Color 2

● Button : Turn ON/OFF for Color 1

- Insert the plug into the cigar socket to connect power.
- The Colour 1 function takes precedence over the Color 2 function.

INSTALLATION RUBBER-MAGNET MOUNT

WARNING:

It is not recommended to use magnetically mounted warning devices on vehicles in motion.
Usage is at the sole risk and responsibility of the user.
