

SL Mini

3" Mini LED Scene Light

FEATURES

- **High-Performance Illumination:** Equipped with 6 OSRAM LEDs, delivering up to 724 effective lumens for powerful, reliable lighting.
- **Versatile Mounting:** Includes rubber flat surface and optional angle mount available.
- **Daylight Clarity:** 6500K color temperature delivers bright, white light for enhanced visibility and a natural daylight effect.
- **Quality and Durability:** Aluminum die-cast housing ensures superior heat dissipation and long-lasting performance.
- **Multi-Voltage:** Input 12-24VDC with EMC Compliance.

SPECIFICATION

Compliance: ECE R10; CE; RoHS

IP Rating: IP68

Nominal Voltage: 12-24VDC

Input Voltage: 9-30VDC

Beam Type: Flood

LED Elements: 1.5W LED x 6 pcs

Max Power: 9W

Current Consumption: 0.53A@12V / 0.28A@24V

Raw Lumen: 945 lm

Effective Lumen: 724 lm

Lux@10m: 3.01

Colour Temperature: 6500K

Wires: Red - +VE: 52cm 0.5mm² (20AWG)

Black - - VE: 52cm 0.5mm² (20AWG)

LED Colour: White

Lens Colour: Clear

Lens Material: Polycarbonate (PC)

Body Material: Powder Coated Aluminium

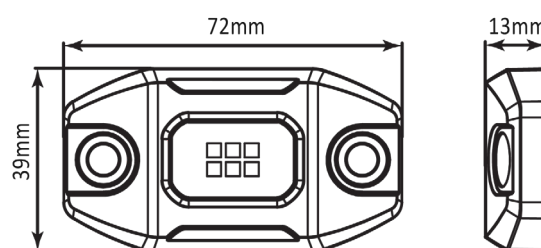

Storage Temp. (°C): -35° ~ +80°

Working Temp. (°C): -30° ~ +65°

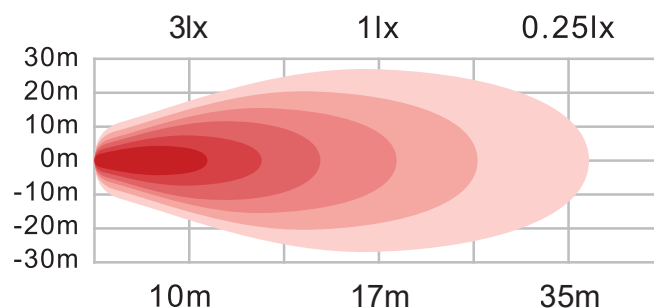

Weight: 76g

Warranty: 2 years
